

## BALLOT

This 2 part membership voting ballot pertains to German Pinschers pictured on the GPCA website titlist pages and the AKC Firsts page.

Part 1: We are asking the membership if they feel that only GP's owned or co-owned by members should be pictured on these web pages or if the members wish this perk to be open to all owners of GP's regardless of GPCA membership status. The outcome of this vote affects the Champions (formerly Titlist) page, obedience page, rally page, agility page, tracking page, CGC page and the service/therapy dog page.

\_\_\_16\_\_\_ By checking this option, you have voted that you feel the web pages specified above should be limited to photos of GP's owned or co-owned by a GPCA member. Please note: Owner's GPCA membership must be valid during the year in which a title was earned. If membership lapses after the year a title was earned, the photo will remain on the event web page.

\_\_\_34\_\_\_ By checking this option, you have voted to allow any GP earning an AKC title to be pictured on the event web page for which the title was earned. GPCA Membership is not required for inclusion on these pages.

Part 2: The AKC Firsts page. This historical page pictures the GP who earned the first title in all AKC events GP's are eligible for, including the first GP to earn companion event championship titles.

\_\_\_9\_\_\_ By checking this option, you have voted that inclusion on the AKC Firsts page should be limited to GPCA members.

\_\_\_41\_\_\_ By checking this option, you have voted that the AKC First page should be open to all GP's regardless of their owners GPCA membership status.

This is not a secret ballot and the option receiving the highest number of votes from the membership will become part of the written guidelines pertaining to these web pages.
